

IMS INTEGRATED

MECHANICAL SOLUTIONS

AIR | WATER | CONTROL

	• Chillers (Air Cooler, Water Cooled, Scroll, Screw, Centrifugal, etc.) • Condensers/Condensing Units, Rooftop Units, Air Handling Units, DOAS, VAV, WSHP, Unit Ventilators, Room Fan Coils, etc. • Building Automation and Controls • Full Line of Parts		
	• High Turndown Condensing Boilers		• Custom Curb Adapters • New Construction Curbs • Isolation / Conforming / Seismic Curbs
	• Hail Guards • Airborne Debris • Snow Filters		• Steam Generators • Modular Steam Plants • Feedwater, Water Treatment, Blowdown Equipment
	• Custom Damper/Duct Products • Motorized, Manual, Cable Controlled		• Replacement and Custom Coils and Tube Bundles (Water, Steam, Refrigerant) • Fan Coils, Air Handlers, Heat Exchangers • Fluid Coolers and Remote Condensers
	• Critical Environment and Security Products • Grilles, Registers, Diffusers (Steel, Al, SS) • Air Terminals, Electric Duct Heaters • Duct Silencers, Acoustic Panels, Louvers		• High Volume Low Speed Fans (HVLS) • Turbine Ventilators, Aisle Fans, Destratification Fans • Industrial Curtains & Air Barriers
	• Access Doors • Relief Doors • Wall Panels		• Custom Fabric-Based Air Dispersion & Distribution • Fabric Duct Solutions
	• Building Automation • Building Integration		• Variable Speed Compressor Retrofit • Variable Mass Flow (VMF) with Smart Compressor Control Optimization • Energy Efficiency Upgrades
	• Customized Louvers, Dampers • Vision Screens, Sun Shades		• Custom Modifications and Conversions • Environmental Coatings, Stainless Steel, HazLoc, Freeze Protection, etc.
	• Damper Actuators • Control Valves • Sensors and Meters		• FRP Duct for Underground, Pool Areas, Laboratories, Corrosive Environments • Custom Shapes and Applications
	• Filters (Pleated, Bag, V-Bank, HEPA, ULPA, etc.) • Housings and Holding Fames • Digital Clean Air Solutions		• Residential & Commercial Mini-Split Systems • Single-Zone, Multi-Zone, Hybrid Systems, VRF, PTAC, TTW
	• Fans, Curbs, Dampers, Louvers • Air Circulation and Purification		• Chimney and Venting Systems and Solutions
	• Replacement and Custom Coils and Tube Bundles (Water, Steam, Refrigerant) • Fan Coils, Air Handlers, Heat Exchangers		• Heat Exchangers (Brazed Plate, Plate & Frame, Shell & Tube, Shell & Coil, Plate & Shell, Custom) • Dry Coolers
	• Commercial Kitchen Ventilation • MUA, Fans, Ductwork, Hoods, Fire Suppression, High OA Units		• Variable Frequency Drives (VFDs) • General Purpose to High Performance Models • Dedicated Energy-Saving Drives for Commercial HVAC and Pump Systems

IMS INTEGRATED MECHANICAL SOLUTIONS

AIR | WATER | CONTROL

	- Architectural, Decorative, Heavy-Duty Grilles - Drop Box, Slot Diffusers - Specialty Air Distribution, Stainless Steel GRD - Security Grates, Grilles, Diffusers		- Cooling Towers - Fluid Coolers - FRP (fiberglass) construction for longer life and corrosion resistance - Open and Closed Circuit
	- High Volume Low Speed Fans (HVLS) to 24'Ø - Direct Drive and Gearmotor Drive Models - VFD-Driven Performance		- Commercial Kitchen Ventilation - MUA, Fans, Ductwork, Hoods, Fire Suppression, High OA Units
	- Gas Detection Systems, Monitors, and Alarms - Building, Home, Industrial, Portable Solutions		- Pool Dehumidification - Condensers and Dry Coolers - Compressor Wall Technology
	- Filters (Pleated, Bag, V-Bank, HEPA, ULPA, etc.) - Housings and Holding Frames - Digital Clean Air Solutions		- Grilles, Registers, Diffusers - Dampers, Louvers, Access Doors - Commercial and Residential
	- Vehicle Exhaust Extraction - Source Capture Systems (weld smoke, sawdust, etc.)		- Low Intensity Infrared (IR) Tube Heaters - High Intensity Infrared (IR) Ceramic Heaters - Overhead DoorJet Heaters
	- Grilles, Registers, Diffusers - Customized Louvers, Dampers - Duct Heaters, Silencers, Terminal Units		- Ventilation Fans - ERV / HRV, Curbs, Dampers - Air Quality Products
	- Controls, Actuators, Actuated Valves - Duct Heaters, Process Heaters - Compact Make-up Air Units (CMU)		- Commercial & Residential Steam Humidifiers - Electric, Steam-to-Steam, Adiabatic Systems
	- Architectural Screening Systems - Direct Attached / Post Mounted / Curb Mounted Solutions		- Electric Duct Heaters - Plenum Heaters - Electric Boilers, Steam Humidifiers, Makeup Air Units
	- Electric Heaters (Baseboard, Convector, Wall Fan, Kickspace, Cable, Patio Infrared, Radiant, Cabinet, Unit Heater, explosion proof, etc.) - Air Curtains, ERV/HRV, Mini-Splits		- Ventilation Fans - ERV / HRV Systems - Air Distribution Products
	- Electric, Gas, Steam Humidifiers - Commercial and Industrial Applications		- Electronic Anti-Scale System - Chemical Free Water Treatment System
	- Modular ECM Fan Arrays - Multimotor Plenum Fans (MPF) - Single Point Power and Control for Entire Fan Wall - Retrofit and New Applications		- Needlepoint Bipolar Ionization - Ozone-free, Soft Ionization - Commercial, Education, Healthcare, Residential Applications
Additional Products & Solutions: - Full line of parts - MRI Quench Venting - HEPA Filter Housings - Custom Panels and Enclosures		 is working daily to add new product lines!
